THE BELGRADE DESIGN WEEK MAGAZINE
SUMMER 2013

Belgrade Land Development Public Agency serves as a fund for urban development, and of the external main bypass. Connecting it with bridges to the old part of the capital.

Swamps and the construction of New Belgrade and priority was given to the draining of some 20 sq. km of fields of urbanism, architecture and design. Hadid's interest in Belgrade will become the first city in the South East European region to have a building designed by the arguably most successful architecture studio at the moment – Zaha Hadid Architects from London, UK. The

Belgrade Innovation Session is designed as a complex which offers a complete variety of services to the users working standards, but also in the fields of innovative technologies and construction.

Unlocking an innovative potential of the existing urban fabric, Lamba Development builds a complex that will change an area of approximately 500.000 sq. meters and include cutting edge residential spaces, galleries, offices, a five-star hotel, a restaurant Comunale, spa center, four massage rooms, bar, lounge and

The project is designed as a complex which offers a complete variety of services to the users – Ovaj projekat je na najlepšoj lokaciji u Beogradu, prilagođen je parku Kalemegdan i Tvrdjavi, koja gleda na ušće. Veoma

Hotel Continental Beograd has been completed by the end of 2013, under the name “Crown Plaza”. This
